

\$20/HR – No Experience Needed – General Labour/Marina (Full-Time)

Love to work outdoors? We are seeking individuals to join our amazing team!

WHO ARE WE:

Conveniently located on the water in North Vancouver, Lions Gate Marine Centre offers a wide range of on-site boat services and amenities plus immediate access to Burrard Inlet to its boating customers.

We offer boaters secure dry-storage and service yards to accommodate projects of all sizes, from annual maintenance such as engine repair, winterization, and bottom painting, to installs and large repair jobs.

We are in search of a full-time Yard Crew. This role's main duties are focused on supporting the yard team to ensure safe movement of vessels on land and in water, ensuring our boatyard is safe, hazard-free and clean at all times. In this job, no two days are alike, which means interesting, diverse, and challenging work.

WE OFFER

- Growth opportunities
- On the job training includes forklift operations
- Comprehensive benefits package
- Competitive salary

JOB DUTIES - YOU WILL

- Pressure wash boats as they are hauled out of the water to prepare them for storage or servicing.
- Ensure that the dock, boat storage and work bays are always clean and ready for the next job.
- Place keel blocks and stands under vessels to ensure they are secure and stable.
- Communicate with colleagues, boat owners and trades to ensure the safe movement of vessels on land and in the water when boats are being moved or serviced.
- Conduct regular safety sweeps to prevent potential hazardous situations from becoming critical safety issues.

NOTE: The majority of this role will be performed outdoors. Appropriate outdoor work gear is provided.

YOU ARE

- Comfortable working outdoors
- Able to commute to North Vancouver for work and have a valid driver's license and reliable transportation
- A strong communicator that works well in a team environment
- Proficient in English
- Legally entitled to work in Canada. All applicants must have legal permission to work in Canada and require a valid Work Permit and Social Insurance Number

SCHEDULE

- You are able to work evenings and weekends
- Shift days and hours will vary depending on operational demand and staffing levels
